

EXECUTIVE OFFICE OF THE PRESIDENT  
BUREAU OF THE BUDGET  
WASHINGTON 25, D. C.

MAY 4 1959

My dear Mr. Dulles:

As you are aware, the Civil Service Commission, in reporting on S. 94, a bill to establish a Federal employee health insurance system, recommended certain principles and methods to be used in the development of a Federal employee health insurance program. The Bureau of the Budget has endorsed the Commission's recommendations.

So that you may be familiar with the details of the approach recommended by the Commission, I am enclosing copies of the Commission's report on S. 94 and of the statement made to the Senate Committee by the Deputy Budget Director on this bill.

Sincerely yours,

(Signed) PHILLIP S. HUGHES

Assistant Director for
